NL Met het hoofd in de wolken! Zachte kleuren geven een dromerige uitstraling aan glas en kraft. Bloemenpatronen in subtiële contrasten zorgen voor een romantisch tintje. Door het toevoegen van linten wordt het plaatje compleet.

EN With your head in the clouds! Soft colours give glass and kraft paper a dreamy ambiance. Floral patterns in subtle contrasts create a romantic tint. Adding ribbons makes it picture perfect.

DU Mit dem Kopf in den Wolken! Zarte Farben verleihen Glas und Kraft eine verträumte Ausstrahlung. Blumenmuster mit subtilen Kontrasten sorgen für eine romantische Note. Bänder runden das Bild ab.

FR La tête dans les nuages ! Des couleurs douces donnent un air onirique au verre et au papier kraft. Des motifs fleuris aux contrastes subtiles apportent une touche de romantisme. L'ajout de rubans parachève le tableau.

NL Lange wandelingen in de natuur bieden een bron van inspiratie. Dessins van bladeren, bloemen en het gebruik van takken zien we terug in onze producten. De kleuren van de herfst zorgen tezamen met fellere tinten voor een spannend contrast. Gebruik touw en draad van natuurlijke materialen voor de *finishing touch*.

EN Long walks in nature are a source of inspiration here. We see prints with leaves and flowers and the use of branches in our products. Autumn colours paired with brighter hues make for an interesting contrast. Use rope and twine made of natural materials for the finishing touch.

DU Lange Wanderungen in der Natur sind eine Quelle der Inspiration. Muster aus Blättern, Blumen und Zweigen finden sich bei unseren Produkten wieder. Die Herbstfarben sorgen zusammen mit kräftigeren Farbtönen für einen interessanten Kontrast. Verwenden Sie Seil und Draht aus natürlichen Materialien für den letzten Schliff.

FR Les longues balades dans la nature offrent une source d'inspiration. Nous retrouvons dans nos produits des motifs de feuilles, de fleurs et l'utilisation de branches. Les couleurs automnales associées à des teintes plus vives assurent un contraste saisissant. Utilisez de la corde et du fil dans des matériaux naturels pour apporter une touche finale.

NL Het maken van een statement vraagt om grote gebaren en sterke kleuren in gedurfde contrasten. Strakke lijnen zien we terug in zowel print als ook vorm. Ook het gebruik van goud en andere metalen trekken hier de aandacht en geven glans en warmte aan het geheel.

EN Making a statement calls for big gestures and strong colours in bold contrasts. We see sleek lines in both prints and shape. The use of gold and other metals also draws attention here, and gives the whole some warmth and shine.

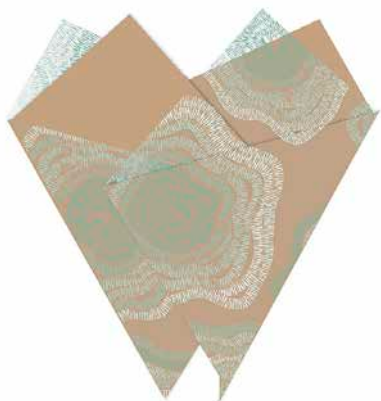

DU Um ein Zeichen zu setzen, erfordert es große Gesten und starke Farben in gewagten Kontrasten. Strenge Linien erkennen wir sowohl beim Druck als auch in der Form wieder. Auch der Einsatz von Gold und anderen Metallen zieht die Aufmerksamkeit auf sich und verleiht dem Ganzen Wärme und Glanz.

FR Affirmer un style nécessite de grands gestes et des couleurs voyantes avec des contrastes originaux. Nous retrouvons les lignes droites dans l'imprimé comme dans la forme. L'utilisation d'or et d'autres métaux attire l'attention ici et apporte de la brillance et de la chaleur à l'ensemble.
